

To All Municipal Parking Lot Permit Applicants:

In light of your recent request for a Township Municipal Lot Permit, we would like to take this opportunity to provide you with a complete formal listing of the rights and responsibilities for both you and the Township under this program.

Enclosed are the regulations governing the Township permit program. Please take some time to familiarize yourself with these regulations. The permits issued are valid only for permit lots within the Permit Lot District, they are not lot specific. Please refer to the District maps if you are unsure which lots are permit lots. Permits are not valid in any permit lots outside of that district or at metered spaces. Also note that failing to display your permit will not be considered a valid justification to dispute a ticket. Finally, please take special note of the enforcement periods as outlined in item #11. The number of spaces available is determined by whether the lot is all permit spaces or mixed with meter spaces. A map of the area showing these locations is attached.

Each permit will be valid for six months at a fee of \$210.00. After completing the application, permits can be purchased at the Parking Services Department office, which is located in the lobby of the Public Safety Building at 71 E Lancaster Avenue in Ardmore. Office hours are Monday - Friday from 8:15 AM - 4:30 PM. You can also mail the application back, including a copy of your license and registration. You may also include a check or money order, made payable to Lower Merion Township, with the application. Or you can return the application, with a copy of your license and registration(s), by email.

Issuance of permits will begin several weeks before each permit period commences. Permits may be picked up in person at the Public Safety Building, 71 E Lancaster Avenue in Ardmore. If you are picking up a permit your valid driver's license and vehicle registration(s) must be presented at the time of issuance. If you have mailed or emailed a permit application, provided license and registration information, and tendered a check or money order, a parking permit can also be mailed to you at a provided address.

We hope you will find this program useful and advantageous to your parking needs.

6. Each permit will cost \$210.00 for the six month period.
7. Each permit holder may register up to two vehicles on a permit. The permit shall be displayed on only one vehicle in a permit lot at a time. 10. In "Permit Only" lots, the permits will be enforced Monday through Friday, from 8 a.m. to 6 p.m. In mixed usage lots (those with permit spaces and meters), the permits will be enforced Monday through Saturday, from 8 a.m. to 6 p.m.
